Ballroom Dance Workshops:

Fundamentals of Latin Dance & Performance Master Classes

Tabish
& Becca

Saturday, March 29th

First, come work on basic fundamentals to help improve your dancing skills. We'll work on all different areas of Latin dancing. Improve strength, balance, coordination & musicality. Suitable for all levels of dancer, from novice to competitive.

The next 3 lessons are a Latin dance Master Class, focusing on Rumba & Cha-cha. Students of the class will be taught a short choreography combination, within which performance, styling, connection, execution, & technique are covered. All this culminates in a performance later the same evening (at USA Dance's social dance)
