James DiCecca Appointed as Director of Membership

Yang Chen, president of USA DANCE, the recognized national governing body of Dancesport and ballroom dancing in the United States, has announced the appointment of James DiCecca to the USA DANCE Governing Council volunteer position of National Membership Director, effective August 1, 2014.

As Membership Director, Jim will preside over the USA DANCE membership system and working closely with the Governing Council of USA Dance develop programs to increase and retain membership and spread the benefits and rewards of ballroom dancing and DanceSport.

He holds an MBA degree in business and is currently employed as a senior software engineer with Fidelity Investments. He has also been an individual business and systems consultant and Vice-president of Willow Consulting Company.

Jim has served as president of the MASSabda chapter of USA

As a chapter president Jim has worked hard to promote and expand ballroom dancing in the Massachusetts area. During his presidency membership has grown and new programs such as the MASSabda DanceSport Series have been started. Jim has worked with many of the local vendors, studios and professionals to offer valuable benefits to MASSabda members.

Jim says that he started out taking ballroom dancing to learn a few things so as not to look foolish at clubs and weddings. It did not take long for him to get hooked on all the benefits of dancing. It truly has developed as a passion for him.

We strongly encourage our members to make use of the online processing system. It allows members the ability to log into their individual record to make a renewal payment, update their contact information, and print a card at any time. This is a tremendous benefit for USA Dance as it is producing a more accurate database as members review and update their own

contact information. Note that those members who are not able to print a card can still contact us to have one printed and mailed to them.

For those members who join at a chapter event with cash or a check or those who are not able to do an on line transaction, a check along with their application form should still be sent to national for processing. Please print clearly as having accurate information about you and in our database is critical.

The mailing address for these check payments has changed effective immediately. Please make note of this new address on your website if one is currently listed and on any membership application forms or promotional items you might have.

**Mail check payments for USA Dance membership to:
