

## ***Crazy for Our Kids Celebration & Fundraising Dance***

***7:00-10:00 pm — Saturday, May 21, 2016***

***North Manchester Town Life Center — 603 Bond Street***

The Manchester Early Learning Center provides quality care and developmentally appropriate learning experiences for infants and children through twelve years of age. Believing that healthy development begins at birth, MELC seeks to play a significant role in promoting the well-being of children and providing a safe, stimulating and nourishing environment.

**In 2014, MELC kicked off its *Crazy for Our Kids* campaign and is over halfway toward raising \$2.45 million to build a new facility.** This spacious and inviting facility will greatly improve educational opportunities for children and address the growing need for high-quality education and childcare in North Manchester and Wabash County.

***New site of the Manchester Early Learning Center, 7<sup>th</sup> and Market Streets, North Manchester***

To celebrate this progress and transition to the next stage of the *Crazy for Our Kids* campaign, MELC will host this community celebration. *Admission is \$10; there will also be additional opportunities to donate to the campaign.*
