## Directions to Lighthouse Pointe

From Reed Canal and Nova Road - You will be heading south on Nova Road.

(If you are heading north on Nova, you will have to make a U turn.)

Take a right between the carwash and gas station just before Madeline.

You will see the club house straight ahead as soon as you make the turn. Because there are no lights near the Lighthouse Pointe sign, it would be a good idea to locate the clubhouse during daylight hours prior to your first dance lesson.
