NEWS FROM HEARTLAND BALLROOM DANCERS, CHAPTER #2022 OF USA DANCE INC

From the Heart

By Jeff Burgardt, President

I would like to start by saying that this past year we tried to develop new ways to create interest in dancing and I believe they are working.

Last weekend we had our second dancing exhibitions this year at the Arts Garden downtown. There were a number of interested spectators who were at the mall to shop but also found some good entertainment. Several of them even gave it a try with some encouragement from our dancers. The crowd was a wide range of ages and they could see that all ages can enjoy ballroom dancing.

Our second annual Dance Workshop at was at Riolo last month. We had two very respected dance instructors teach us both American and International dancing in Waltz, Foxtrot, Swing and Cha Cha. There were four lessons that day with a break for dinner and our monthly dance was in the evening. The day's sessions were very well attended. There was great interest in this day of learning the technique of each type of dancing. Both the Arts Garden exhibitions and the Dance Workshops were successful and we need to continue to learn and to improve these events in the coming year. Thank you for attending; we ask that next year you promote both of these events.

Our annual **Christmas dinner/dance** will be Friday, December 13 at 7:00 PM at Starlite. There will be no dance lesson that evening. It will be a pitch-in where everyone brings a side dish and we provide the turkey and ham. Usually this is a great opportunity to get a delicious meal followed by great dancing and a fun time to dine with friends. So take a little time to prepare or buy a side dish to bring to the dance. After dinner we should have some good music for dancing and time to burn off that good meal. We usually get a good turnout for this event so plan to be there and tell your friends to join us. There's always plenty of room at Starlite.

Starting in January 2014 all of our dances will be held at Riolo Dance on the second Saturday of the month. We will be starting our dance lesson at 7:30 instead of 7:00 and the dance will be from 8:30 to 11:00. This matches Riolo times. We are hoping that this change will be less confusing than

alternating between Riolo and Starlite. We hope to be able to build consistency and have more dancers at our dances next year.

Please get in the habit of checking our website indyusadance.org. You will see our newsletter each month, pictures from events and videos of our dance lessons. If you missed a dance it gives you a chance to see what was taught at the last dance. This is a great resource to see the lesson performed again to allow you to work on the lesson on your free time.
