NEWS FROM HEARTLAND BALLROOM DANCERS, CHAPTER #2022 OF USA DANCE INC

## From the Heart

By Jeff Burgardt, President

I want to again express that we are in search of some new board members. We have had good participation from the present board members but it is time for others to experience working on the board. You don't have to be someone that has experience at this. You only need to be willing to express your ideas and to give up some of your spare time helping us plan our dances. We also want to work at ways to promote dancing in other ways than our general dances. We try to share the workload as much as possible. I ask you to consider being on the board. It is a two-year commitment. We have meetings once a month which takes about 2 hours to plan the next dance and to discuss other ways to promote dancing to others. Currently we need someone to be our next treasurer and someone to do the newsletter each month. We are losing at least two board members at the end of this year. Right now we need to get volunteers to step forward. By November elections we need to have new group of people finalized.

Some things we are considering currently are to start a Home School Dance Program. This can be a great way for the students to meet other students, get dance lessons, get exercise and develop their social skills. This is a great way to add some younger dancers at our dances. We're always looking for volunteers to plan and create theme dances to add to the fun of our dancers and to increase attendance. Sometime in the future we want to see if another dance competition can be organized. If so we want to make sure it is a successful event.

October 11 will be Halloween themed. A Viennese Waltz lesson will be taught by John Berry. Feel free to bring some snacks for the dance. It would be very much appreciated. There may be an exhibition at this dance. Please encourage your friends to come.

We have a great workshop planned for January. See the flyer elsewhere

## September Dance Report

by Jeff Burgardt

The September dance was a good time to go dancing and to get a good lesson. The great tango lesson was taught by **Angelo and Coleen Ablog**. We had a number of people who brought food so we had a good variety of refreshments. Thank you to those who brought something. We had a swing mixer. It was a fun dance.
