NEWS FROM HEARTLAND BALLROOM DANCERS, CHAPTER #2022 OF USA DANCE INC

From the Heart

By Jeff Burgardt, President

This time of year we need to finalize our search for new board members. The completion of this two-year term will end in December. At the end of this year I will have completed 4 years as the president. There are a number of board members who have been so generous with their time and have volunteered to be on the board for many years. The current board has collectively provided so much for our dance organization. We are losing at least two board members at the end of the year. We need to get volunteers to step forward. By November we need to have a new group of people finalized. We need of at least **two new board members**. If you are interested, please contact me at 317-696-5245. If you're not sure but you think you're interested you are invited to attend our next board meeting which will be September 15 at 6:15 PM at the Marion County Library downtown.

Some areas where we really need help are: We want to start a Home School Dance Program. We think this can be a great way to allow the students to meet other students, get dance lessons, exercise and develop their social skills. **We would like to provide lessons using money from our 50/50 drawing at dances.** I lot will need to be worked out such as a place to have the lessons. I think it would be great to get exposed to dancing at their age. We all know that dancing is something that can be enjoyed all our lives. If this can get started and grow, it would be great to have these youth dancers at our dances so they can practice what they are learning.

We also want to have another dance workshop but we want it to be a good workshop that will provide great instruction.

We want to see if another dance competition can be organized in the future and if so we want to make sure it's successful.

There are a number of other ideas we want to develop but we really need help. Now is the time to come forth and choose to be on the board or be eager to volunteer. I'll talk about this at the dance.

September 13 will have a luau theme; Indy's most popular Hawaiian dance instructor **Angelo Ablog** and his wife **Coleen** will teach an **American**

Tango lesson. If you've never attended **Angelo's** lessons, you will enjoy him very much because he is so good at making dancing fun; sometimes he can get you really laughing. Also be sure to wear something Hawaiian to the dance. Please **bring snacks** for the dance. Put this date on your calendar; it will be a great time. I appreciate your promoting and encouraging your friends to come.

We will be doing a video of this month's dance lesson. That will give you a chance to review what you learned at the lesson. The video will be on our website at indyusadance.org.

Membership Payments Issue

As you know, effective August 1st there was a new mailing address established for check payments for USA Dance memberships. A change of address notice was filed with the post office to have any mail sent to the PO Box in Southampton PA forwarded to the new address: USA Dance Inc, Member Services Dept., P O Box 90, Oak Hill FL 32759-0090.

It was discovered the middle of August that the forwarding order had not been properly processed by the post office and mail was sitting in the box in Southampton PA. The mail was recovered, packaged and resent to the proper address. We were advised the error in the forwarding order was corrected and any mail sent to PA should now be rerouted properly.

Unfortunately, the mail recovered from the PA post office box that was packaged and sent to the right location has been lost in transit. The post office is searching for the parcel, but in the meantime we realize there are payments for new memberships and renewals that are in limbo.

While the number of members affected by this situation is relatively small, we wanted you to be aware of the situation. If your chapter had sent payments to PA that have not yet processed, it is suggested you resend them to the FL address and **advise members who may have been impacted to do the same.**

When and if the parcel arrives we will review records carefully to assure we are not processing duplicates.
