# Buy-A-DANCE FUNDRAISER!!

**HEADS UP EVERYONE!**

Our next *Buy-A-Dance Fundraiser* is coming to our  
Second Saturday Dance at *The Dance Place* on

*April 9, 2016*

Last fall, our Buy-A-Dance fundraiser was an outstanding success because of the generosity of committed ballroom dance instructors and competitors and of our community of dancers who supported them. The money raised will be used to promote ballroom dancing in our city by providing scholarships and grants for competitors, workshops, dance lessons, youth activities and more.

As always, there will be 2 sessions. Gentlemen and ladies will sign up for dances with their favorite professional and competitive dancers for **just \$5 per dance!** The first session begins at 9:30pm, the other at 10:30pm. At the dance, the list of dances will be displayed on large posters for each participant. That way you can sign up for your favorite dances.

Note that the dance floor is open to all dancers during the fundraising, even if you choose not to buy a dance!

Everyone had a wonderful time last year! We are assembling a great group of dancers for you to dance with. Prizes will be awarded for those with the most dances! Keeping checking the website for more details.
