President's Message

As we start our 2nd year of having a dance twice a month, I'm happy to say the response has been very good as reflected by the attendance and from comments by those attending.

I'm also pleased to announce we have a new board member taking on the responsibility of Webmaster. Chuck MacDougall along with his wife Amy have been doing a fine job as our newsletter editors. In addition to that, Chuck has stepped forward to fill a board position as Webmaster. We thank both of them for their efforts and dedication.

Our February 4th Black or Red (Naughty or Nice), a name Ken gave, had an excellent turnout. DJ's Marty & Liz did a great job as usual; Bill Odom gave the Part 2 lesson in the salsa. Great job Bill! Hopefully it sparked some interest in dancing to the salsa for those who haven't tried it.

Our February 18th dance with DJ's Gail & Alan got everyone up dancing to their music. Ed and Louise Hanlon did a wonderful job teaching a Rumba amalgamation and we look forward to having them back again in the near future. Don Davenport, (Area Coordinator District 9 for USA Dance, Inc.), and his wife Yioshi visited our dance in a first of three stops in Florida. He oversees approximately 20 chapters throughout Florida. We want to thank them for visiting and for their interest and support to our chapter.

Ladies, don't forget to go through your closets for unwanted dance dresses, pants, tops and dance shoes. We will be holding a sale of these donated items in the lobby area during our March 4th dance. DJ's Gail & Alan will provide the music.

The March 18th dance will feature a Mardi Gras theme with DJ's Marty & Liz Newton and dance instructors John & Kathy Augustine. Wear your most colorful shirts, dresses, tops, beads and masks and we'll supply the cake and coffee.

Please read details below about the Florida USA Dance Spree Weekend being held in Daytona this year. We would like to have as many people as possible attend this event and represent the Ocala Chapter 6027 USA Dance organization. You may attend for a day or the entire weekend where you'll have lots of fun. There will be a wide array of dance lessons during the day or just choose to sightsee or spend time on the beach and then in the evenings you can dance the night away at the all new Gold Star Ballroom with its 4200 sq. ft. floating dance floor. It'll be a great time I'm sure you'll enjoy. There will be Chapters from all over Florida and other areas of the country.

I'll see you on the dance floor.

Pat
