Anyone competing in ballroom dance of any kind (American style, International style, Country or Swing, etc) at any level or participating in showcase events will benefit from these lessons.

Mr. Crowder is **highly technical and will help you improve your skills** regardless of your style of dancing. I encourage you to take advantage of this opportunity.

Mr. Crowder will be **teaching private lessons and group lessons**.

Friday group: Waltz-swing and sway; Smooth/Standard: Left turns, outside partner and continuity endings

Sunday group: Cha-cha-Cha technique; Swing-basics that make it swing

Mr. Crowder is also **certified to teach instructors** to improve their skills and/or to prepare for teacher certification. USA Dance is interested in helping our regional instructors become top level teachers so any teachers interested in this opportunity should contact Pam Hamilton for more information.
