2016 Phoenix DanceSport Challenge

An Overview to Amateur Competitive Dancing

What makes a Dancesport Competition?

Dance skills:

A competition allows dancers to show and compare their skills with other dancers at a similar level. It consists of many events, each of which is targeted at a particular style of dance and skill level. Each competitor is required to perform one or more dances from a given division. As competitors move up in skill level, they are required to perform additional dances in their respective category. Not all skill levels or divisions are offered at all competitions.

In the United States, these are the following amateur competitive skill levels:

Closed Syllabus Categories	Open Categories
Bronze * Silver * Gold	Novice * Pre-Championship * Championship

Dancers competing in the syllabus level events are only allowed to dance figures at the level or below which they are dancing. For example, a couple competing at Silver level may only dance Silver and Bronze figures. You can see the allowed figures in the Syllabus section of the national website, www.usadance.org.

Dancers competing in open level events may dance figures from any syllabus level, as well as innovative variations, as long as these moves comply with the rules and regulations of USA Dance.

Who can compete in a Dance Competition?

At the Phoenix USA Dancesport Challenge, ALL PARTICIPANTS MUST BE ACTIVE USA DANCE MEMBERS. You may apply for membership via www.usadance.org or contact the Phoenix Chapter at www.phoenixusadance.org. Details for membership signup may be found with the registration forms.

What are the events?

Phoenix DanceSport Challenge offers events in the following styles of dance:

International Style:

Standard - Waltz, Tango, Viennese Waltz, Slow Foxtrot, Quickstep
Latin – Samba, Cha Cha, Rumba, Paso Doble, Jive

American Style:

Smooth - Waltz, Tango, Foxtrot, Viennese Waltz
Rhythm - Cha Cha, Rumba, East Coast Swing, Bolero, Mambo

Social:

Bachata, Salsa, Merengue, Hustle, Nightclub Twostep, West Coast Swing

What are the music lengths per routine?

Typically 90-110 seconds, except for Viennese Waltz and Jive, which are 60-90 seconds.

How are the events judged?

During the events, three to five judges will rank the couples based on their technical skills, presentation, and showmanship. Scores from all the judges are combined to obtain the final standings. Adjudication is both an objective and subjective process, and that is why several judges are used to ensure fairness.

How do you support your favorite dancers as an audience member?

During the competition, you will be seeing some lovely and inspiring dancing. Applause is much appreciated anytime during the event. So don't be afraid to applaud, cheer, and call out the number(s) of your favorites. Make yourself a part of the fun and excitement of the Phoenix DanceSport Challenge!

The rules and guidelines listed in the following paragraphs are not a complete description of all applicable USA Dance rules. The current rulebook is available on the National USA Dance website at www.usadance.org.

For safety and liability constraints, the following rules are in addition to current USA Dance rules: you must have a foot on the floor at all times, no lifts, slashes or slides. These rules will be adhered to for this competition or you will be disqualified.

Food and sealed beverage containers may be taken into the ballroom and we ask that you are careful to avoid spillage. Should one occur, please alert the organizers immediately so that it can be cleaned up to avoid floor damage and to avoid it becoming a hazard to competitors and spectators.

ENTRIES

Each couple must fill out an entry form, including both partners' names and signatures. A parent or legal guardian must sign for competitors under the age of 18. Competitors dancing with more than one partner should fill out a separate entry form for each partnership and submit them together to ensure no conflicting entries.

All competitors certify by signing the entry form that they are eligible under USA Dance guidelines to compete in the events and age groups they have marked on the entry form, and that they will comply with all costuming and syllabus rules applicable to the events they have entered. Signature also denotes a release from liability for injury, theft or any mishap towards the ASU West facility, the City of Glendale or the Phoenix USA Dance Chapter.

Events will be run in the following age categories: 1) Pre-Teen / Junior / Youth combined, 2) Adult, and 3) all Senior categories combined. However, depending upon scheduling needs, the organizers reserve the right to combine/cancel events or add/delete categories due to number of entries.

The social dance events are available to three age categories (18 and under / 19 to 34 / 35 and above - both partners must meet age requirement), **with no skill level restriction**. Costuming is allowed, and street clothes are acceptable. "Good taste" criteria will remain in force at the judges' and committee's discretion. Social categories will be limited to the first 25 couples (per dance) who enter. One age level per dance per partnership will be allowed.

Entry deadline is Saturday, February 27, 2016. Late entries are subject to the Registrar's approval and will be charged a late fee. Please contact registrar **Sue Eldred** at (602-550-0944) or email: comp@phoenixusadance.org. A late fee of \$15 per person will be assessed for approved registration / entries postmarked or received electronically after the deadline date of February 27th. A late fee of \$15 will be assessed for any payments received after March 5th.
