We Promote Ballroom Dancing!

The Prez Says...

It has been a privilege to serve as your President this year. Our Board of Directors are great folks who work very hard to provide us an opportunity to enjoy dancing every month as well as organize workshops, charity events and a magical black tie evening. It has been a delight to work with them. It has been a joy to get to know the members of our Chapter better. As president, I have worked with local instructors and leaders in the ballroom dance community beyond our area, most every time has given me a new story and a new friend.

The biggest reward though, is being able to dance with you each month, to share good news, to invite you to be a part of our chapter and to keep you advised about what we are doing. It's fun to get to look at you and your smiles each month at Ballroom Sunday. Thank you for this opportunity.

As we begin a new year I encourage you to get more involved in our chapter. You can be an ambassador to fellow dancers on behalf of our chapter. We always need help in the production of Ballroom Sunday. The more people we have involved, the more we can "share the load." There are many areas where we can work together to bring the elegance and joy of ballroom dance to our community.

In closing this last column I wish each of you a most joyous holiday season and the happiest New Year. I pray that enjoy family and friends and make many cherished memories.

Keep dancing, my friends.

Randy Peters, President
