

Have fun, improve your dancing, and show off your moves!

USA Dance Performance Team

A new group to promote ballroom dance by public performance. Fannia will be choreographing some routines and we'll get together once a week to practice. Then we will be performing those routines at community events, fundraisers, conventions, and USA Dances.

Bring your enthusiasm, your ideas and hard work; we'll figure out together how best to showcase your dancing, either solo or in a group formation.

Requests: USA Dance member & Commitment

Dance level: Intermediate

Shared Costs: floor rental (Bellevue area; maybe professional teachers now and then)
