Social Sally

Sally Dances at Norm & Dette's

Sally once again takes to the town, this time dropping in on Norm & Dette's dance which was held at the Dillon Council on Saturday, July 15, 2006. As always, the venue offered a beautiful floor and comfortable atmosphere. Norm and Dette were gracious hosts, greeting all their guests.

A quick tango lesson was offered midway through the evening, which was followed by a raffle of wine and Powerball tickets. Her number was drawn from the raffle, but unfortunately her luck ended there and she didn't win the millions, but was very thankful that ticket was included with the door fee.

She had heard that the music at past N&D dances wasn't the most up-to-date, but it was still very danceable, although some of the pieces sounded like the original recordings. Never-the-less, it was a nice

What's In A Name - DanceSport's Confusing Acronyms

Here are some brief definitions of some of the key organizations affecting dance policy in the US and around the world.

- **USA Dance: Formerly known as US Amateur Ballroom Dancers Association (USABDA).** This non-profit corporation is recognized as the National Governing Body of DanceSport by the IDSF, the US Olympic Committee USOC and the US Congress. As such, USA Dance functions as the National Federation that runs the National Championship that determines the US representatives to IDSF World Championships. And of course this is the national organization that governs our local chapter.

- **International DanceSport Federation (IDSF):** This group runs the Amateur World DanceSport Championships along with other events. They govern 84 member federations and are recognized by the International Olympic Committee

- **National Dance Council of America (NDCA):** This non-profit corporation is a professional organization comprised of member organizations, not individuals. They are recognized by the WDDSC. They presume responsibility for assigning US titles. However the WDDSC assumes no responsibility for Amateur events and thus extends no such authority to the NDCA.

- **World Dance Council (WDC)** formerly known as the World Dance and DanceSport Council (WDDSC): This group runs the Professional World DanceSport Championships.
- **American Ballroom Company (ABC):** This for-profit corporation was assigned, by the NDCA, the rights to hold a variety of US titles in conjunction with running the US DanceSport Championships

Chapter News

End of Summer Dance

Our August 25th dance had a slower, end-of-summer pace and a smaller crowd than usual. The dancers used the extra floor space to show off their talents!

New Look for Web Site

Don't forget to check out our new design and read the great dance articles at www.riusabda.org. Highly recommended - an article about foot exercises and treatments.

Our National Competitors

In August Mike Obara and Jayne Pawasauskas and Tim Sorrentino and Efrosyni Iosiphidis traveled to San Jose, California to compete in the 2006 National DanceSport Championships. Mike and Jayne attained Second Place in Novice Rhythm and Third in Pre-Champ Smooth, and made Semi-Finals in Championship Smooth. Tim and Efrosyni became Pre-Champ Latin Semi-Finalists. Congratulations to all on your wonderful accomplishments as DanceSport Athletes!

Wedding Bells

Our chapter treasurer, Alicia Zu Wallack married Peter Graves this August. The new married couple performed a "flawless foxtrot" at their wedding reception. From all of us at USA Dance Rhode Island Chapter - may you dance to beautiful music together all life long.

Chapter Geography

Because we're a state-wide chapter of USA Dance, we have members from many cities and towns in Rhode Island. Providence tops the list, with 15 members, followed closely by Cranston with nine, and a third place tie between Warwick and Pawtucket with six each.

Many of you are the lone representative from your community. As ballroom dancing gains in popularity maybe someday soon we'll have dancers from every town in Rhode Island.

Dancing can infinitely stretch your horizons of pleasure and your enjoyment of life, because it speaks to your aesthetic senses and to your spirit at the same time it addresses the physical side of your nature.
