Message From the Chapter Officers

We're off to a great start! Because the officers are new to the functions of the board of directors we've been reviewing the USA Dance National Policies, goals and recommended programs.and seeing just where we are in the big picture.The past directors

have done a great job, ie; Chapter of the Year 2008-2009 and outreach programs which touched on segments of our local community. The social or tea dance program at the participating studios is a long standing and successful program. You've seen an outline of our new "Ambassador" program with we hope to enhance communications with the studios and give them the opportunity to display the ambiance, character, methods of instruction and skills of both thier staff and students. Each studio is unique and we would like you to experience that difference on a monthly basis!

USA Dance puts forth "Purposes and Goals" for Chapters. This starts with the purpose of the chapter which is to promote the growth of ballroom dancing as both a lifetime recreational activity and as a sport.National goes on to say that chapters serve as the leader and focal point of ballroom dancing in their community and strive to educate the public regarding the physical, mental and social benefits of ballroom dancing.

The basic goal is for everyone to ballroom dance! Chapters are encouraged to provide affordable opportunities for all ages to participate in ballroom dancing.

This is a long message to say that we are going to undertake this goal. The first step is our USA Dance Chapter/Riverside Partnership Program. This is an outreach program to the local community to provide low-cost weekly dance lessons for beginner ballroom dancers. The program will also provide a public social dance venue for the community. It will start on February 22nd and continue on Monday nights at the Riverside Community Center in Fort Myers. Watch the news letters and announcements for

Chapter Tea Dances

A Tea Dance or the dansenis is an
afternoon or early evening dance. The
function evolved from the concept of the
afternoon tea. Our Tea Dance includes all
of the ballroom dances. They start with a
professional lesson the first hour. Then
we go on to general dancing, mixers and
spotlight performances. Admission is
\$8.00 for USA Dance members and
\$10.00 for others.

The location of these dances is rotated
among local participating dance studios
in the Fort Myers and Cape Coral area.

**Join us at Rhythm in Motion
Dance Academy for our
Valentine's Tea Dance. The
lesson with Greg and
Michaela will be the WALTZ. What
a lovely dance for a Valentine's
Day!**
