Message From the Chapter President

We're off to a great start! For those of you who read the "American Dancer" magazine you know that USA Dance at the national level has completely re-organized by function. The effect on the chapters is that the new chapter guidelines basically replace our old and obsolete by-laws. The construction of the board of directors requires a minimum of seven members, which with the recent election of officers and the foresight of our past presidents

appointees puts us in good shape until the election of 2011 when our new board will be elected by vote of the general membership. So, administratively we are set to meet the goals of the next two years! Please support your chapter by attending as many of the chapter functions as you can and if you have time offer assistance to our "Ambassadors" in making these functions successful!

The first major goal set by your new board is to establish an affordable beginner dance program. Our USA Dance Chapter/Riverside Partnership Program got us off to a good start. If you are not familiar, this program is open to the local community to provide low-cost weekly dance lessons for beginner ballroom dancers. The program will also provide a public dance venue for the community and our USA Dancers. It started on March 1st and will continue on Monday nights throughout the year at the Riverside Community Center in Fort Myers. Watch the news letters and announcements for updates. Your "Ambassadors" for this program are Linda at 239-297-1869 and Kay at 239-334-3782. JOIN US IN PROMOTING BALLROOM DANCING IN SOUTHWEST FLORIDA!

Chapter Tea Dances

A Tea Dance or the "dansenis" is an afternoon or early evening dance. The function evolved from the concept of the afternoon tea. Our Tea Dance includes all of the ballroom dances. They start with a professional lesson the first hour. Then we go on to general dancing, mixers and spotlight performances. Admission is \$8.00 for USA Dance

297-1869**

Riverside Dance Program

**What a beautiful location for a
lovely beginning!**

Truly a lovely beginning and such a
joy to watch our new ballroom
dancers start their journey into the
WORLD OF BALLROOM DANCING!

The first hour from 6:30 to 7:30 PM
for the beginning dancers had a turn

out of 28 dancers. They were introduced to the basics of
ballroom dancing by instructor Ron Fucci, assisted by Barb
Wilson. Just the smiles were a wonderful thing to see.

An additional 12 dancers joined us for the "social dance" many
of which were our stalwart USA Dancers! This dance lasted
from 7:30 to 9:30 PM and surely had some music and dancing
for every one. KUDO's to the brave new students who stayed
and practiced their new steps and some of our veterans that
welcomed and assisted them!
