President's Message

Fall Message from your President:
Members and friends of USA Dance: OUR MISSION IS TO PROMOTE THE QUALITY AND QUANTITY OF BALLROOM DANCING IN THE USA.

Where else in this world can we enjoy an afternoon of dancing with no one in government or ethnic/ religious group to tell us we cannot? HOW PROUD ARE YOU OF YOUR CHAPTER?

This is our motto. I would like each of you to look back at the wonderful dances and special events we have accomplished. Ask yourself: "What did I contribute to our chapter and our accomplishments?" "Have I just gone to the monthly tea dances but not offered to assist in any way?" We have reached a high level that perhaps none of us thought could possibly happen. But guess what we did it. Your board of officers and committee chairman have done a stupendous job this year. We have grown so very much and many of you assisted. Our National Officers provide us with requirements and achievements for us to fulfill. Yes we did great.

We, in the Ft. Myers and Naples area, are so fortunate for our supporting studios, teachers and staff members. They have made us strong. It is our 'COMMON COURTESY' to give them our attention during our tea dance class. If you are not participating in the class please talk at a low tone not to DISTURB the dancers that do want to learn these special patterns. These teachers have given us their precious time and we owe it to them to give them our respect.

Our organization is based on 'ballroom dancers'. It does not say only silver or gold but ballroom dancers starting at the "beginners" to our marvelous silver and gold. We are to treat all new members and guests with a courtesy to them and their level of dancing. It is not our place to teach them on the dance floor. Nor is it our place to 'walk off the floor because the person is not dancing at

your level'. Please remember when you began
dancing---you sure don't dance like that now.

Our chapter's new website and newsletter on-line
has been a marvelous new addition. This is our
way to send you messages and information for
upcoming events. We do have a program that
does tell our officers who opens our messages to
you. ARE YOU ONE?? Your membership means
an invitation to attend our special events and
dances. We are like a company with officers and
committees. There are many opportunities for you
to become involved in planning and directing these
events. In a couple of months we will be having a
new board, new committee chairmen and
hopefully see many of you be 'part' of our
organization.

The office of president has been very rewarding. I
hear the good and the bad from our chapter
members. I have brought many of these items to
our board to correct and present to you with better
governing. I enjoy my PRIDE of chapter 6049. I
wish all of you members to do the same. Speak
highly of our chapter and our activities. If there is a
problem we have asked you to address it to the
board. We have issues with few men at our
dances, the dress code of a few of our ladie's
wearing very SHORT dresses, our venues of our
dances. These are all of our concerns and it is our
duty to look to the future with a 'positive' incentive
to become the best members and chapter we
could ask for. These are a few items that have
been brought to our attention. Please make us
proud and promote our dances and special
events. I am very, very proud to be called an USA
Dance member. Join me in my pleasure and pride
as we finish out this year.
