

When is it the time to hang up our shoes and give up on dancing? We might lose the physical ability with age, but we never lose the love and memories of dancing. The residents at Lucy Corr Village were thrilled to experience interactive wheel chair and walker dancing. We had a wonderful afternoon with the residents and it really warmed our hearts to see and feel their enthusiasm when they found out they could have a “dance experience.” We would like to send a special thanks to Phyllis Harris for showing us how to have a very great dance experience with the Lucy Corr residents.

We appreciate and thank the dancers who volunteered their time on a Saturday afternoon, and lifted the hearts and spirits of the residents. ▼

Lucy Corr Village – April 26th

We enjoyed learning a great West Coast Swing grouping from Veronica Braun in April and May. Who doesn't love Veronica! She's a great instructor with a bigger than life personality. She makes everyone look great on the floor!

One of the things that really stood out at the Tri-Cities USA Dance in May was how much everyone really enjoyed dancing and being together. It was great to see friends that we haven't seen in awhile. We look forward to seeing everyone again in June for more fun and friendship!
