

West Coast Swing takes a lifetime of fun to master and is one of the most useful and rewarding partner dances. David Headly gave us some challenging moves to work on until our September Dance. He will be teaching a second West Coast class and will be performing a demo with Nicole Juliett Libby on September 12, 2015. We hope you all can make another great class and a very entertaining performance at 7:30 pm.

We would like to send out a special thank you to Chuck Overbey for being the DJ at our August dance. **He had a delightful array of music that kept the dancers dancing all night. We hope to have him back with our chapter again soon!**
