

Our July Beach Party Dance began with a beginner lesson in Waltz/Rumba by Dale Smith and a West Coast Swing lesson by Edwin Roa followed by a demonstration of West Coast by Edwin and his partner. Randy Goodfellow played his usual great music selections for our dancing pleasure.

Our August 13th dance will feature Veronica Nugent teaching the Bolero at 7:30pm. Dale Smith will start the evening off at 7:00 with an introduction to Waltz and Rumba. If you, or someone you know, have never danced before, this is the lesson for you. So, come on, join in, don't feel intimidated. All dancers had to start somewhere, they were all beginners at one time. This is your chance to join the wonderful world of ballroom dancing. Music will be provided by Chuck Overbey.

Put on your dancing shoes and come join us on the dance floor.
