

We marched into Daylight Saving time and ran into Spring as Phyllis Harris taught the Running Waltz at the April dance. She kept us on our toes. Doug McRae provided tasteful choices of all dance melodies. One melody who will not be with us after June is Melody Stone, our Chapter Treasurer. We thank Melody for her many years of service on the Board and her great ideas for moving the chapter forward. We hope she will continue to be an active member and allow us to enjoy her friendship forever. With her departure from the Board, we really need you to chime in to keep the beat going on by volunteering to serve on the Chapter's Board of Directors. Let us know that you will be willing to serve.

Learn American style Tango at our May 13th dance as we welcome back Glen Lovelace who will be teaching this “stalking” dance. Black and White is the theme, black and white attire encouraged. Randy Goodfellow will play the music and he always has an excellent playlist. Come on out for an evening of fun. No partner necessary, dance hosts available. Dale Smith will teach a Very Beginner Waltz/Rumba lesson at 7:00pm. This is a great chance for those who have never danced to learn the basics.

We danced at the Masonic Home of Virginia retirement community on March 27th. A BIG Thank You to these dancers who volunteered their time to demonstrate their dancing skills for the residents: John Brooks, Sharon Dunn, Michelle Hacker, Bill Gandel, Gary Yielding, Sandra Shifflet, Jerry Scaglione, Ruth Wilbourne, Dale Smith and Frances Smith. Some residents and staff were not at all intimidated and danced with us. It was a great time at that 90-acre complex in eastern Henrico County.
