

West
Coast
Swing

We had a fantastic second West Coast Swing class in July, taught by Ashley Byrd. Our Tri-Cities dancers really proved and tested their dance skills with this West Coast Class. This is not an easy dance to learn, but they gave it their all and by the end of the class they were comfortable with the six pattern count and the connection of lead and follow. Ashley is a fantastic teacher. She loves to dance and she loves to teach! We look forward to having her teach some more classes in the near future for the Tri-Cities Chapter.

We would also like to thank Randy Goodfellow for being our DJ for the evening. We get two-for-one with Randy because he dances as well as DJ's during the evening. When you have a DJ that dances, you know you're going to hear some great dance music! ▶▶ Randy▶▶
