

Fun and energy emanated from the dance floor in Colonial Heights, on April 14, 2018. The members in the group class were excited to learn the back parallel break, the double handhold, and the same handhold move in the Rumba class taught by Glen Lovelace. There was plenty of time to practice all the moves with Randy Goodfellow's great selection of music that kept us dancing all night. As any ballroom dancer knows, one of the beauties of ballroom dancing is that you never stop learning.

Glen Lovelace was caught later in the evening teaching a few moves of the Cumbia to George and Linda Hertzler from Williamsburg. It looks like it's time to start adding more Latin dances! If you have a particular dance that you are interested in learning or would like to brush up on, please let us know and we will do our best to get it on our 2019 calendar.

**The next Tri-Cities Chapter 6060 Dance is on May 12, 2018, at Wesley United Methodist Church, 3701 Conduit Road, Colonial Heights, VA 23834. Steve Kirvan from 7 Cities**

**Ballroom in Williamsburg, VA, will be teaching an East Coast Swing Lesson and Phil Sisk will be the DJ for the evening.**

If you have not visited the Chapter in awhile, please come join us, we would love to have the opportunity to dance and visit with you. As mentioned in the April newsletter and at our last USA Tri-Cities dance, if you bring a friend, they get in free for their first visit.

It is with your feet that you move, but it is with your heart that you dance.
