Hollywood Dancesport

FOUR MILLION!

*Paradigm Digital is proud to announce that today we reached a milestone of over **FOUR MILLION** views of our ballroom videos!*

Ask about having your dances recorded on our HD Chip --- great quality at the same great price!

This just in! If you are planning on coming to Hollywood Dancesport Championships you'll want to find out about the **after-parties at Hard Rock Cafe and Lucky Strikes!** The organizers just announced that there are going to be **incredible shows from American Idol and So You Think You Can Dance**. And for the first time ever at Hollywood Dancesport, there will be pro/am, amateur and professional walk of fame events.

Michael, Mary & Jonathan, Organizers of Hollywood Dancesport Championships

It's a record-breaking year for Hollywood. Michael Chapman also mentioned that not only is the hotel sold out, but there are over 7,000 single-dance entries and 9,000 multi-dance entries.

Heat lists are now online.

Looks like it's going to be a blast. And Paradigm will be in the ballroom ready to record your solo dance competitions AND we will be **broadcasting LIVE from HOLLYWOOD!** (I've

always wanted to say that 😊 ...) To avoid the stress of waiting in line to arrange your video just before your dances, we suggest that you arrive early.

Please join us on **Paradigm's Livestream channel** to watch all the fun and a great competition.

And, remember, when you just can't get enough ballroom, we've got 650 amazing videos for you to

enjoy on our [You Tube Channel](#). Become a channel subscriber and you'll be notified as new performances are added.

We are [Paradigm Digital-DVD](#) ... bringing the best of ballroom to the world!
