

# March 20th 2014 St. Patrick's Day Dance & Dance Boutique

Tonight is the night to bring your used  
and no longer loved dancewear clothing and shoes to sell.

1. Please mark your items with your name (so people know whom to talk to), the size and price you would like and fix firmly to each item.
2. May I suggest you also make a stand up sign for your table so people can find you too?
3. You will be able to set up on a table and use the hanging rail so make sure you bring a clothes hanger if needed.
4. You may like to bring a cash float for your own use or just accept checks.

Each person will be responsible for selling  
their own items during the evening.
