### **Bio**

Ricardo's love for salsa music and dance is deeply rooted in his ability to interpret and understand the rhythmical structures that reside within salsa. An experienced musician of the piano, percussions and guitar, Ricardo quickly picked up the rhythm and timing for salsa and tapped into the passion that he feels when hearing the music. In a short time, he has established himself as one of the most recognizable salseros in the northwest, as well as one of the premiere salsa/mambo dancers.

Ricardo's professional training includes dancing for Sabor Latino Dance Company from 2002 – 2005. He also been to New York City for the summertime (2006, 2007) to take classes, dance socially and perform.
