

New this year...Date change to October 25-26th, 2008

In past years, we have held this competition in late Spring or early Summer. Since this competition was designed as a qualifying event for our USA Dance National DanceSport Championships, which changed from August to April this year, we moved our event to October. We felt October, usually a slow month on the NW competition calendar, was a great time to hold our event. We are able to retain our high quality hotel venue at the Sea-Tac Hilton Airport Hotel, which is only a short 5-minute shuttle ride away from the Sea-Tac Airport. Please join us in October to see why this competition is considered one of the most smoothly run national qualifying championships in the nation.

Chapters are sponsoring Adult/Youth Championship level events this year. Ex: (Standard, Latin) 1st place, \$500; 2nd place, \$300; 3rd place \$200. Please suggest to your board to sponsor a place or a whole heat. It really helps the organizers to attract more competitors to the competition.

Darlene Forbes, RVP 1
