

# Bridgetown Swing September 18th - 21st.

Weekend event passes are \$110 before Sept. 1st (\$125 afterwards), and junior passes are \$30 for those aged 13-17. Passes include workshops, two midnight buffets, and full ballroom access for social dancing and competitions. For a list of instructors, hotel info, and additional details, please visit <http://www.portlandswing.org/bts> .

Let me know if you are interested in a ticket. I have about 5 available. I will be out Thursday night to collect money.

This year for Bridgetown the table arrangement is based on first come first served. The sooner we turn in our money the better table(s) we will get. One table has already been turned in.
