**Performance Team
training not only
improves your group
skills but also your
partnership skills!**

**This is where you polish
the steps you know and
synchronize them in a
group for FUN Dancing
and entertainment!**

**A Chapter hosted program to expand
the skills of our members!**

The first sessions will feature the WALTZ. The instruction and choreography will be by Bruce Akioka. The first hour will be instruction, the next half hour, PRACTICE! Bruce will be there to coach during practice time. This will be couples dancing. For SOLO's we'll do our best to provide partnering for these classes. THIS IS A MEMBERS ONLY PROGRAM! \$5.00 per session. Don't miss this opportunity to improve your skills!
